Please notify us as soon as possible if during the period of Insurance there are any changes in circumstances or in the material facts previously disclosed to us. Your policy is on a claims occurring basis, which means that if you stop the policy, it will always be in place if a claim was made at a later date for work done within the policy period and this is for an unlimited period of time. If discontinuing, kindly let us know the reason so we can mark your records accordingly.

You are responsible for disclosing complete and accurate information and every material circumstance which insurers require in connection with any proposal for insurance cover. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.

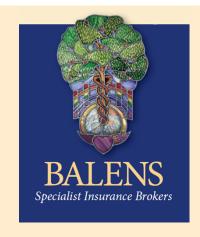

The policy has been issued, unless otherwise stated within the policy Schedule, on the understanding that you made a fair presentation of the risk to be insured.
